## Independent Auditor's Report

### To the General Assembly Members

#### **THE PALESTINIAN INITIATIVE FOR THE PROMOTION OF GLOBAL DIALOGUE AND DEMOCRACY (MIFTAH)**

#### **Ramallah - Palestine**

#### **Opinion**

We have audited the financial statements of **the Palestinian Initiative for the Promotion of Global Dialogue and Democracy (hereinafter "MIFTAH")**, which comprise the statement of financial position as at December 31, 2025, statement of activities, statement of changes in net assets and the statement of cash flows for the year then ended and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of MIFTAH as at December 31, 2025, its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS Accounting Standards).

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of MIFTAH in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with IFRS Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing MIFTAH's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate MIFTAH or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing MIFTAH's financial reporting process.

## Independent Auditor's Report (continued)

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISA's, we exercise professional judgement and maintain professional skepticism throughout the audit.

We also,

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than the one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on MIFTAH's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause MIFTAH to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# **THE PALESTINIAN INITIATIVE FOR THE PROMOTION OF GLOBAL DIALOGUE AND DEMOCRACY (MIFTAH)**

## **Notes to the Financial Statements**

**For the Year Ended December 31, 2025**

### **1. General**

The Palestinian Initiative for the Promotion of Global Dialogue and Democracy (MIFTAH) was established in December 1998 as a non-governmental Jerusalem-based institution dedicated to fostering democracy and good governance within the Palestinian society through promoting public accountability, transparency, the free flow of information and ideas, and challenging of stereotyping at home and abroad. MIFTAH's aim is to serve as a Palestinian platform for global dialogue and cooperation guided by the principles of democracy, human rights, gender equity, and participatory governance. To this end, MIFTAH undertakes the pro-active generation and presentation of policy proposals and the focused dissemination of reliable information. Since its establishment, MIFTAH has established the cogency of its positions in Palestine and in the region and has formulated long and short-term policies and strategies to deal with particular pressing issues.

Through networking with like-minded organizations locally, regionally and internationally, and with Palestinian expatriate communities, MIFTAH maintains lasting relationships and partnerships in pursuit of a common vision of dialogue and democracy.

MIFTAH's financial statements for 2025, were approved by the General Assembly on April 22, 2026.

### **2. Application of New and Revised International Financial Reporting Standards (IFRS Accounting Standards)**

In the current year, MIFTAH's management considered all new and revised Standards and Interpretations issued by the International Accounting Standards Board (IASB) and the International Financial Reporting Interpretations Committee (IFRIC) of IASB, relevant to its activities, that were issued and effective for annual reporting periods ending on December 31, 2025.

At the date of these financial statements, there was a combination of standards and amendments to IFRS Accounting Standards that are applicable in subsequent years. The management believes that these standards and their interpretations will be applied in the financial statements of the organization according to the dates of their effectiveness, and that this application has no effect on the financial statements of the organization in the initial application stage.

### **3. Material Accounting Policy Information**

#### **3.1 Statement of Compliance**

The financial statements have been prepared on the accrual basis of accounting and in accordance with International Financial Reporting Standard (IFRS Accounting Standards).

The accounts of MIFTAH are maintained within the general set of accounting for not-for-profit organizations. They include the following:

- **Unrestricted Net Assets** - Net assets whose use by MIFTAH is not subject to donor-imposed restrictions.
- **Board of Directors Designated Fund** - designated by MIFTAH Board of Directors to contribute to the long-term sustainability of MIFTAH or for any other purpose to be set by the Board of Directors.

## Notes to the Financial Statements

For the Year Ended December 31, 2025

### 3. Summary of Material Accounting Policy Information (continued)

#### 3.1 Statement of Compliance (Continued)

The statement of activities is a statement of financial activities related to the current period, it is not a performance measure and does not purport to present the net income or loss for the period as would a statement of income for a business enterprise.

#### 3.2 Contributions and grants

Conditional Contributions and grants with stipulations that are expected to be met are recognized as increases in restricted contributions and are released to unrestricted contributions over the periods necessary to match them with the costs for which they are intended to compensate, on a systematic basis.

Amounts received under conditional grants, whose conditions are based on future events and actions, are deferred and presented under liabilities and included in the statement of activities when the relevant conditions are met.

Grants due as compensation for expenses or losses already incurred, or for the purpose of providing immediate financial support to MIFTAH without any related future costs, are recognized in the statement of activities in the period they become receivable. Government grants are not recognized until there is reasonable assurance that MIFTAH will comply with the related conditions and that the grants will be received.

- **Restricted contributions** – grants whose use by MIFTAH are subject to donor-imposed stipulations that either expire by passage of time or can be fulfilled and released by actions of MIFTAH pursuant to those donor-imposed stipulations. When the related restrictions are met, restricted donations are released to unrestricted donations.
- **Revenues** are reported as increases in unrestricted net assets unless their use is limited by donor-imposed restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, restricted contributions are classified as unrestricted net assets and reported as restricted contributions released from restrictions.

#### 3.3 Deferred revenues

Donations related to property and equipment are measured at fair value, recorded as deferred revenues and recognized as revenue in the statement of activities and changes in net assets on a systematic basis over the useful life of the asset.

#### 3.4 Property and equipment

Property, and equipment are stated at cost net of accumulated depreciation. Depreciation is computed on a straight-line basis over the estimated useful lives of the respective assets. The yearly depreciation rates are as follows:

| <u>Property and Equipment</u> | <u>Useful Life</u> |
|-------------------------------|--------------------|
| Office Equipment              | 4-5 years          |
| Office Furniture              | 6-7 years          |
| Leasehold Improvements        | 5 years            |

## Notes to the Financial Statements

For the Year Ended December 31, 2025

### 3. Summary of Material Accounting Policy Information (continued)

#### 3.4 Property and Equipment (continued)

When the expected recoverable amount is less than the net book value, the property, and equipment amount is reduced to the lower of cost or net realizable value and the difference (if any) is included in the statement of activities.

The useful lives of property, and equipment are reviewed at the end of each year. In case the expected useful life is different from what was determined before, the change in estimate is recorded in the following years, being as a change in estimate.

Property, and equipment are disposed of when there is no expected future benefit from the use of that asset.

#### 3.5 Income Tax

The entity is considered not-for-profit; therefore, its income is not subject to tax provided that it meets the necessary conditions in accordance with the Palestinian Income Tax Law.

#### 3.6 Expenses Recognition

Expenses are recognized when incurred based on the accrual basis of accounting.

#### 3.7 Foreign Currency Transactions

The financial statements are presented in U.S. Dollar (USD) being the currency of the primary economic environment in which MIFTAH operates (its functional currency).

In preparing the financial statements, transactions in currencies other than the functional currency (foreign currencies) are recorded at the rates of exchange prevailing at the date of each transaction. At the date of the financial statements, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences are recognized in the statement of activities in the period in which they arise.

- Transactions which are expressed or denominated in other currencies are converted into USD equivalent using the exchange rate prevailing on the date of each transaction.
- Assets and liabilities which are denominated or expressed in other currencies are presented at their USD equivalent using the exchange rate prevailing at year end.
- All other assets and liabilities are presented in their USD equivalent at their historical values.
- Exchange differences arising from the translation of local currency balances is charged to the statement of activities.

Exchange rates at year end against USD are detailed as follows:

|      | <u>2025</u> | <u>2024</u> |
|------|-------------|-------------|
|      | <u>USD</u>  | <u>USD</u>  |
| NIS  | 3.27        | 3.648       |
| EURO | 0.863       | 0.949       |

## **Notes to the Financial Statements**

**For the Year Ended December 31, 2025**

### **3. Summary of Material Accounting Policy Information (continued)**

#### **3.8 Cash on Hand and Deposits with Banks**

For purpose of the statement of cash flows, cash and deposits with banks comprise cash on hand, bank balances and short-term deposits with an original maturity of three months or less, net of outstanding bank overdrafts, if any.

#### **3.9 Contingencies**

MIFTAH receives grants from various donors and such grants are subject to individual audits under the grant agreement terms. The ultimate determination of amounts received under these grants is based on the allowed costs reported to and accepted by donors as a result of the audits. Until such audits are accepted by donors, there exists a contingency to refund any amount received in excess of allowed costs.

#### **3.10 Contributions Receivable**

Contributions Receivable are classified as financial assets at amortized cost and are stated at the original amount of the unconditional contributions less amounts received.

#### **3.11 Payables and Accruals**

Liabilities are recognized for amounts to be paid in the future for goods or services received, whether billed by the supplier or not.

#### **3.12 Right-of-Use Assets**

MIFTAH recognizes right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities.

The cost of right-of-use assets includes the amount of lease liabilities recognized, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Unless MIFTAH is reasonably certain to obtain ownership of the leased asset at the end of the lease term, the recognized right-of-use assets are depreciated on a straight-line basis over the shorter of its estimated useful life and the lease term. Right-of-use assets are subject to impairment.

#### **3.13 Lease Liabilities**

At the commencement date of the lease, MIFTAH recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by MIFTAH and payments of penalties for terminating a lease if the lease terms reflect MIFTAH's intentions to exercise the option to terminate.

## Notes to the Financial Statements

For the Year Ended December 31, 2025

### 3. Summary of Material Accounting Policy Information (continued)

#### 3.13 Lease Liabilities (continued)

The variable lease payments that do not depend on an index or a rate are recognized as an expense in the period on which the event or condition that triggers the payment occurs. In calculating the present value of lease payments, MIFTAH uses the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the in-substance fixed lease payments or a change in the assessment to purchase the underlying asset.

#### 3.14 Provision for Employees' Indemnity

Provision for employees' indemnity is computed according to MIFTAH's internal bylaws and the prevailing Labor law in Palestine. Additions to the provisions are charged to the statement of activities while indemnities actually paid to staff are booked against the related provision account.

### 4. Estimates and Assumptions

The preparation of financial statements and the application of accounting policies include certain estimates and assumptions made by management that affect the amounts of certain assets and liabilities and the disclosure of contingent liabilities. These estimates and assumptions also impact revenues, expenses, provisions, and changes in fair value. Specifically, MIFTAH's management is required to make significant judgments and assumptions to estimate the amounts and timing of future cash flows. These estimates are based on multiple assumptions and factors with varying degrees of estimation and uncertainty, and actual results may differ from the estimates due to changes in the conditions and circumstances of those estimates in the future.

**Provision for Employees' Indemnity:** The end-of-service provision is calculated in accordance with MIFTAH's internal bylaws and the applicable Palestinian labor law. This provision is calculated based on the employee's final month's salary, at a rate of one month's salary for each year of service.

**Property and Equipment:** Management periodically reassesses the useful lives of tangible assets for the purpose of calculating annual depreciation, based on the general condition of those assets and the estimated future useful lives. Any impairment loss, if identified, is recognized in the statement of activities.

### 5. Cash on Hand and Deposits with Banks

|                      | <u>2025</u><br><u>USD</u> | <u>2024</u><br><u>USD</u> |
|----------------------|---------------------------|---------------------------|
| Current Accounts     | 211,576                   | 94,630                    |
| Short-Term Deposits* | 906,587                   | 867,011                   |
|                      | <u><b>1,118,163</b></u>   | <u><b>961,641</b></u>     |

The average interest rate on the short-term deposits is 4.33% during the year 2025 and 4.17% in the year 2024.

Short-term deposits as at December 31, 2025, and 2024 include USD 282,441 and USD 234,216, respectively as deposits designated for employees' indemnity (Note 13) in addition to an amount of USD 493,897 and USD 471,501 respectively related to the Board Designated Fund (Note 14).

**17. Related Parties' Transactions**

Related parties represent members of the board of directors and key management personnel of MIFTAH. Pricing policies and terms of these transactions are approved by MIFTAH's management.

Transactions with related parties included in the statement of activities and changes in net assets are as follows:

|   | <u>2025</u><br><u>USD</u> | <u>2024</u><br><u>USD</u> |

**18. Financial Instruments**

**(a) Fair values of Financial Assets and Liabilities**

Financial instruments comprise financial assets and financial liabilities. Financial assets consist of contributions receivable, cash on hand and balances with banks and some other current assets. Financial liabilities consist of some accounts payable, accruals and temporarily restricted contributions. The fair values of financial instruments are not materially different from their carrying values.

**(b) Credit Risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or a contract, leading to a financial loss. MIFTAH is exposed to credit risk from its operating activities primarily on contributions receivable. MIFTAH limits its credit risk through obtaining funds from several reputable donors.

**(c) Foreign Currency Risk**

Foreign Currency risk arises from the possibility that changes in the exchange rates may affect negatively the value of the financial assets and liabilities. The United States Dollar (USD) is the prime currency of the MIFTAH where it hedges its expenditures and liabilities for each currency.

**(d) Operational Risk**

MIFTAH primarily relies on donations to fund its programs. The management believes that the level of funding for programs and projects in 2026 will be sufficient to finance all of MIFTAH's programs, projects, and activities, and will be at the same or higher level from previous years. Furthermore, the management believes that the prevailing political and economic conditions in the region will not materially affect its operations.

## **Notes to the Financial Statements**

**For the Year Ended December 31, 2025**

### **18. Financial Instruments (continued)**

#### **(e) Relationship with Donors**

Majority of MIFTAH's revenue and support for the years ended December 31, 2025, and 2024 was derived from grants received from donor agencies. MIFTAH has no reason to believe that relationships with donor agencies will be discontinued in the foreseeable future. However, any interruption of these relationships would have an adverse effect on MIFTAH's ability to finance ongoing operations in the coming years.

#### **(f) Liquidity Risk**

MIFTAH limits its liquidity risk by maintaining adequate cash balances to meet its current obligations and to finance its operating activities. In addition, the activities of MIFTAH are financed by multiple donors. Most of MIFTAH's financial liabilities are due within a period of three months.

#### **(g) Interest Rate Risk**

Interest rate risk results mainly from changes in interest rates on financial assets subject to changing interest rate. MIFTAH's financial assets are subject to fixed interest rate and therefore, there is no change of interest rate risk exposure on such assets.

### **19. Contingent Liabilities**

Due to a work dispute based on a contractual disagreement, there is a lawsuit against MIFTAH in the Palestinian courts which amounted to USD 131,864 as at December 31, 2025. MIFTAH's management, Board of Directors and legal counsel believes that this case has no legal merit or standing. The legal counsel is handling the case completely and believes that there will be no financial commitments against this litigation, except for what has been provided in the financial statements.
